**Welcome:** Stephen Jagers, Partner [Mallesons Stephen Jaques](#)

At this lunch we aim to seek common ground between ESF and ASR on the key services trade liberalisation opportunities between the EU and Australia, so as to provide a focus for joint industry advocacy with the two governments.

In ASR's recent letter to Minister Crean, we raised a number of services trade liberalisation issues with the EU including: 'open skies', government procurement, business establishment and business visas, financial services and professional recognition.
